

Pan African University Call for Applications for study programs at the Pan African Virtual and E-University (PAVEU)

Introducing PAVEU

The Pan African Virtual and E-University (PAVEU) is one of African Union's flagship projects which has been proposed for addressing the Agenda 2063 need for accelerating development of human capital, science and technology and innovation through increasing access to tertiary and continuing education in Africa by capitalizing on the digital revolution and global knowledge.

The proposal to operationalize the Pan African Virtual and E-University as the open, distance and e-learning (ODEL) arm of the Pan African University was endorsed by the Specialized Technical Committee on Education, Science and Technology (STC-EST) meeting that took place on 23-25 October 2017 in Cairo Egypt. The proposal was approved by the January 2018 Summit (Executive Council Decision EX.CL/Dec 987 (XXXII) Rev.1. PAVEU is hosted at the PAU Rectorate Headquarters located in Yaoundé, Cameroon.

Vision

To be a leading Centre of Excellence in providing open access to online higher education and research for the advancement of Africa.

Mission

To provide world class, inclusive, quality-assured and relevant education to Africans anytime and anywhere and to conduct innovative research to catalyse the African Union's Agenda 2063."

Scope

The PAVEU shall aspire to provide every qualified candidates within the African continent and beyond the opportunity to acquire knowledge and skills that prepare them for employment, knowledge acquisition, innovation and entrepreneurship. It shall strive to ensure that support services are available to distant learners and faculties to assist in

providing research-driven and evidence-based quality education that are conveniently accessed.

Objectives

1. Increase access to quality tertiary and continuing education in Africa by reaching large numbers of students and professionals in multiple sites simultaneously and developing relevant and high quality Open Distance and e-learning (ODeL) resources;
2. Ensure the prospective African student a guaranteed access to the University from anywhere in the world and anytime (24 hours a day, 7 days a week);
3. Develop infrastructure, human and financial support systems to facilitate the effective use of ODeL in rural and disadvantaged urban areas;
4. Enhance the pedagogical and research capacity of African tertiary educational institutions;
5. Raise the global standing of the Pan African University as well as build and sustain partnerships with institutions that can support the AU Agenda 2063 mission; and
6. Promote development and delivery of responsive, demand-driven education programs.
